Assure.

REFINE
Learn.
Improve.
Scale.

LOGO SYSTEM & CONSTRUCTION

LOGO SYSTEM & CONSTRUCTION

Our logo is engineered for clarity, balance, and impact. The BlueSkyz Labs logo combines precise geometry with human-centered simplicity. It is crafted to be instantly recognizable, highly versatile, and consistently powerful across every experience and medium.

CORE MARK
Flat vector. Everyday mark.

PRISMATIC HERO
Dimensional presentation mark.

A HIGHER
PERSPECTIVE
BUILDS A
BRIGHTER
TOMORROW.

PRIMARY WORDMARK
Clean and confident.

BLUESKYZ
LABS

FULL LOCKUP
Mark + wordmark. Preferred usage.

CONSTRUCTION GRID
Built on precise geometry.

60° apex angle
Circular geometry
Optical balance
Geometric harmony
Scalable system

CLEARSPACE
Keep a minimum of 1x around the full lockup.

ALIGNMENT & RATIOS
Engineered for visual balance.

Mark and wordmark are optically balanced using a 1 : 2.2 ratio, with consistent alignment to the visual center.

MINIMUM SIZE
Maintain legibility at all sizes.

Digital (Screen)

Print

- USAGE RULES
Keep it consistent. Keep it powerful.
- ✓ Use only the approved logo files.
 - ✓ Maintain clearspace (minimum 1x).
 - ✓ Do not stretch, distort, or rotate.
 - ✓ Do not alter colors, effects, or proportions.
 - ✓ Ensure legibility on all backgrounds.
 - ✓ Use the prismatic hero only for premium applications.

RESPONSIVE LOCKUPS

Responsive Lockups, Scale & Misuse

A consistent lockup system ensures BlueSkyz Labs appears clearly at any size across every touchpoint, maintaining recognition, balance, and impact in every environment.

CONSISTENT
TODAY.
RECOGNIZED
TOMORROW.

MICRO MARK

SCALE GUIDE

FULL LOCKUP

Minimum width
280 px

HORIZONTAL LOCKUP

Minimum width
200 px

STACKED LOCKUP

Minimum width
160 px

COMPACT LOCKUP

Minimum width
96 px

MICRO MARK

Minimum width
32 px

CLEARSPACE

X = clearspace unit

Maintain a minimum clearspace of 1X on all sides of the lockup. No text, imagery, or other graphic elements may enter this space.

INCORRECT USAGE (MISUSE)

Do not stretch.

Do not rotate.

Do not recolor.

Do not add excessive effects.

Do not place on noisy backgrounds.

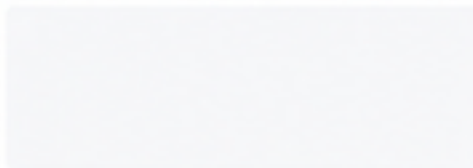

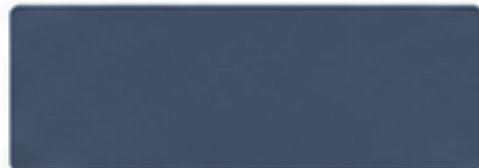

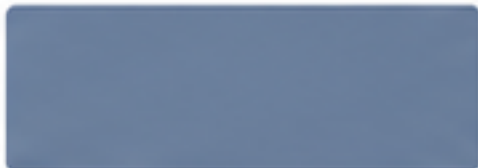

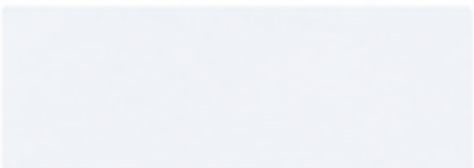

Do not change proportions.

DESIGN FOUNDATIONS

Color, Typography & Interface Tokens

A unified system of color, typography, and UI tokens ensures consistency and accessibility across products and touchpoints.

BRAND COLOR PALETTE

							
Ink #0B1020	Porcelain #F7F8FA	Cobalt #2564FF	Slate 900 #0F172A	Slate 700 #334155	Slate 500 #64748B	Slate 300 #CBD5E1	Slate 100 #F1F5F9

TYPOGRAPHY (INTER)

Light	Aa	HEADLINE (BOLD) Intelligence. Elevated. Impact. BODY COPY (REGULAR) We build intelligent products that empower people and elevate the way work gets done.
Regular	Aa	
Medium	Aa	
SemiBold	Aa	
Bold	Aa

Usage	Use the primary blue (Cobalt #2564FF) on light backgrounds. Maintain consistent stroke weight and visual balance.		

BRAND ARCHITECTURE & PRODUCT SYSTEM

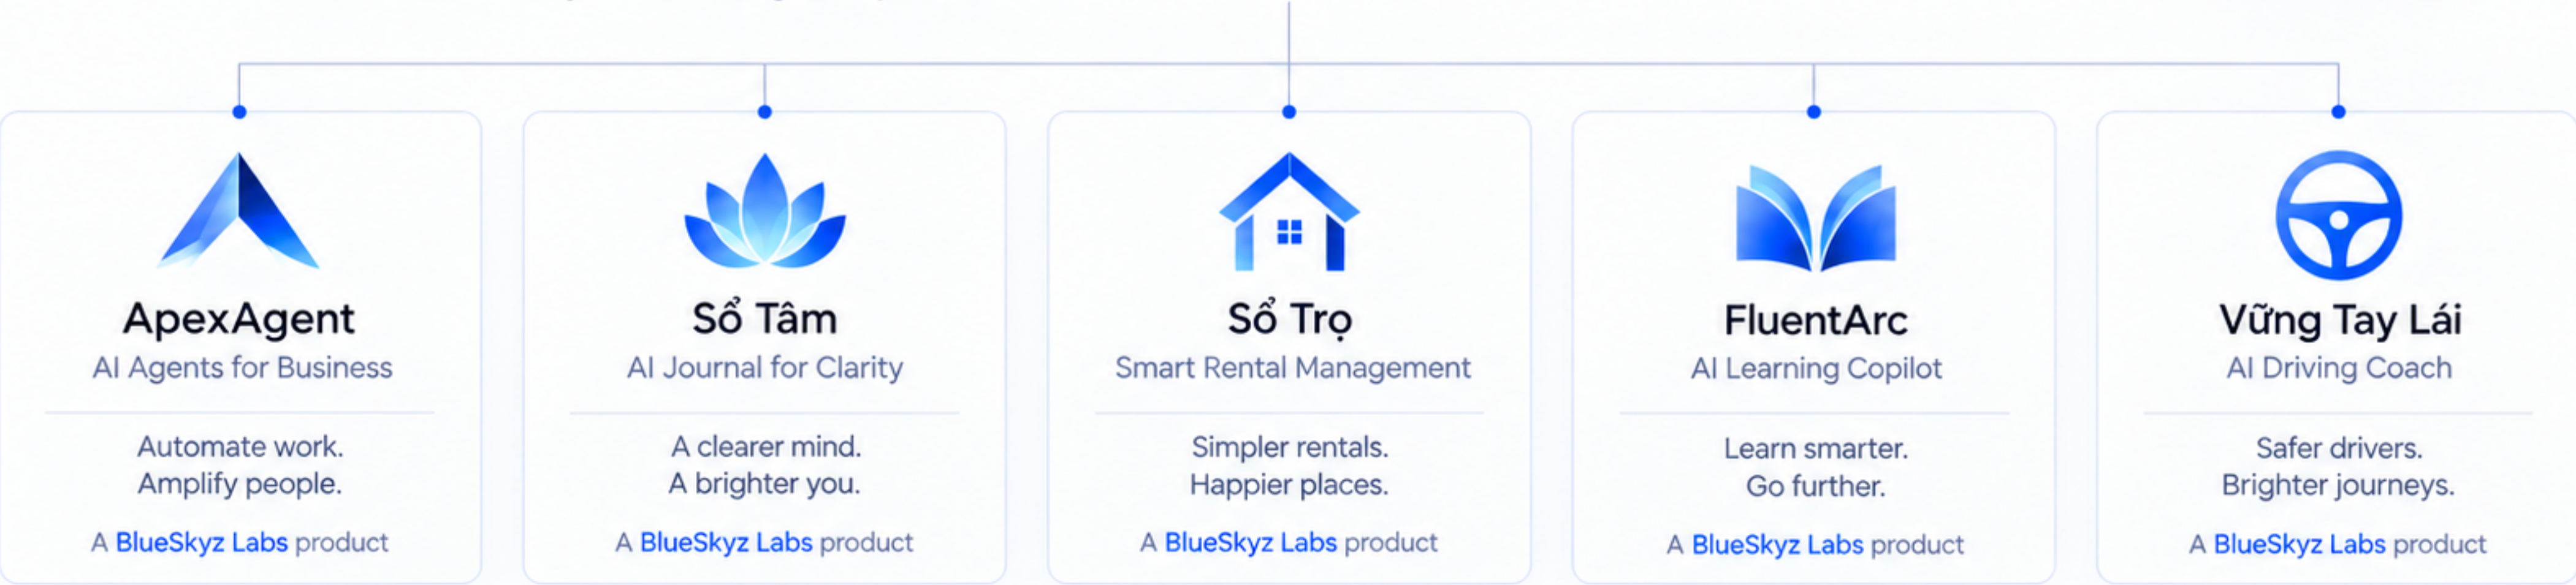

A Unified System for Greater Impact.

One master brand. A family of intelligent products.

MASTER BRAND

BLUESKYZ
LABS

Intelligence. Elevated. Impact.

ENDORSEMENT RULES

- Use "A BlueSkyz Labs product"
- Maintain consistent lockup and style
- Do not create standalone brands
- Keep visual hierarchy clear

NAMING PRINCIPLES

- Simple, memorable, distinctive
- Reflect real human benefit
- Aligned with intelligent technology
- Work across languages and markets

PRODUCT CARD STRUCTURE

- Distinctive icon per product
- Product name (primary)
- Clear descriptor (secondary)
- One-line value statement
- Endorsement line (consistent)

**INTELLIGENCE.
ELEVATED.
IMPACT.**

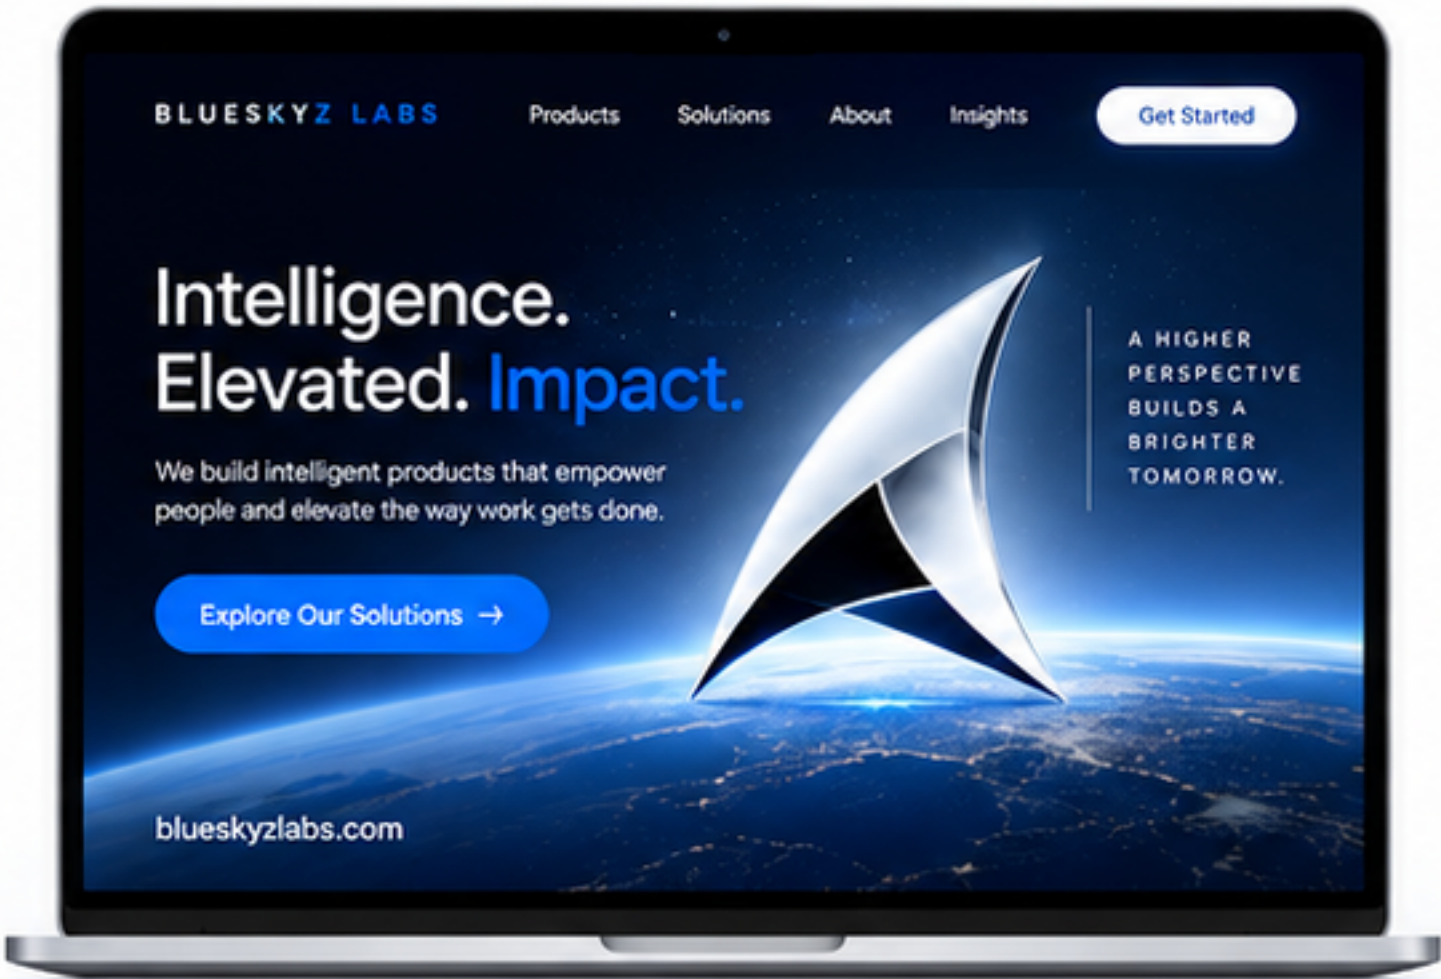

DIGITAL ECOSYSTEM

Digital, Social, Web & YouTube

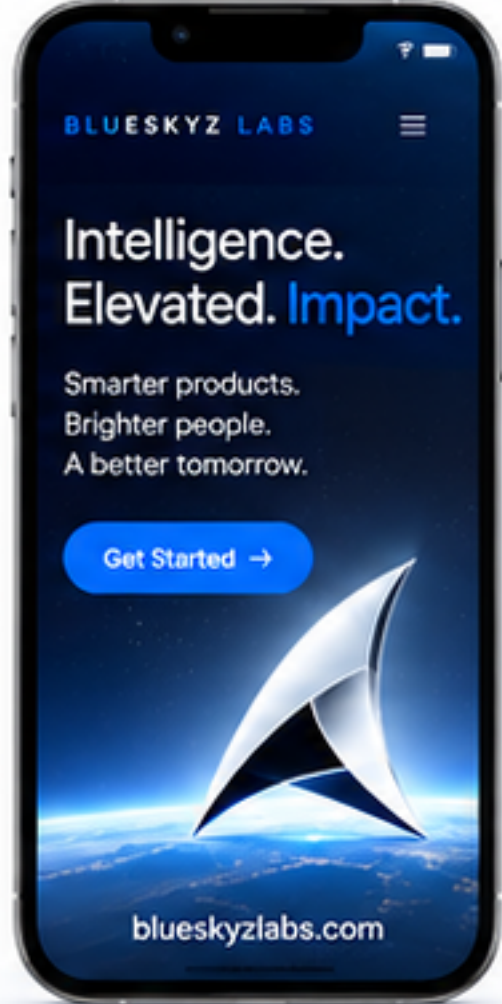

A unified system for website, mobile, social posts, newsletter, and YouTube content. Designed to expand our reach, tell our story, and create consistent, high-impact experiences across every digital touchpoint.

SAME INTELLIGENCE.
MORE REACH. **BRIGHTER TOMORROW.**

APP ICON SET

AVATAR & CHANNEL ICON USAGE

Use the [BlueSkyz](#) hero mark for profile pictures, channel icons, and avatars. Keep clear space around the mark. Ensure good contrast for small sizes. Use the primary or light background versions as shown.

DIGITAL CONSISTENCY CHECKLIST

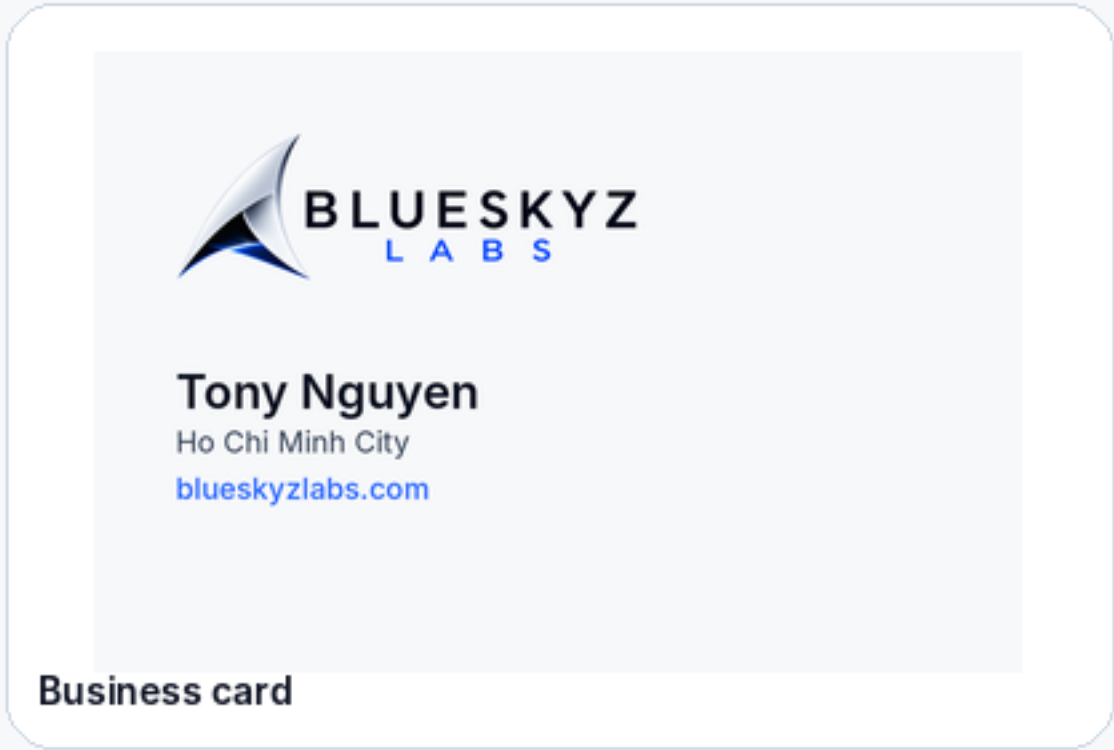

- ✓ Use approved logo, colors, and typography
- ✓ Keep messaging clear and benefit-driven
- ✓ Include a clear CTA (e.g., Learn More, Watch Now, Get Started)
- ✓ Maintain visual consistency across all platforms
- ✓ Use high-quality imagery and the R4d hero mark
- ✓ Optimize for each platform's recommended sizes
- ✓ Keep text safe and readable on mobile
- ✓ Drive to [blueskyzlabs.com](#) where relevant
